

Suggested Popular Repertoire for Weddings/Corporate Events

This is not intended as an exhaustive list – please get in touch for more suggestions.

If you cannot find what you are looking for, please don't worry – just ask!
Pretty much any tune can be played on the violin with some arranging. Get in touch and you can get the best advice on what will work best for your event.
Please note a huge variety of repertoire is available – the list below contains examples of pieces which can be most easily played in a non-traditional recital setting.
